Alumni Connect #2 – Connect, Inspire, Empower

EVENT REPORT

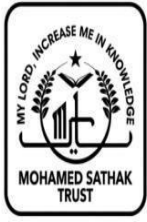

The **PG & Research Department of Biochemistry**, in association with the **Internal Quality Assurance Cell (IQAC)**, Mohamed Sathak College of Arts and Science, successfully organized "**Alumni Connect #2 – Connect, Inspire, Empower**" with the objective of strengthening the bond between alumni and current students while providing valuable career guidance and professional insights.

The session featured two distinguished alumni as resource persons:

- **Mr. L. Dhanasekar**, Senior Application Consultant & Biochemist Equipment Specialist at Roche Diagnostics, shared his inspiring career journey and provided valuable insights into career opportunities in the fields of biochemistry, diagnostics, and the healthcare industry. He encouraged students to explore diverse career pathways with confidence and highlighted the importance of continuous learning and professional development.
- **Ms. L. Dhashayani**, Technical Manager at Chennai National Hospital, delivered an informative session on the role of biochemists in the healthcare sector. She shared her professional experiences, discussed the skills required for success, and motivated students to pursue excellence in their academic and professional careers.

The interactive session enabled students from the School of Biological Sciences to gain first-hand knowledge of industry expectations, emerging career opportunities, and the practical applications of biochemistry in healthcare and diagnostics. The alumni emphasized that dedication, perseverance, and lifelong learning are the keys to professional success, inspiring students to prepare themselves for higher education and future challenges.

The programme concluded with a heartfelt Vote of Thanks, expressing gratitude to the Management, **Principal, Dr. M.S. Mohamed Jaabir**, Vice Principal and IQAC Coordinator **Dr. M. Syed Ali**, Head of the Department **Dr. V. Anuradha**, esteemed alumni speakers, faculty members, organizing committee, and students for their valuable contributions and enthusiastic participation. The event effectively fulfilled its objective of bridging academia and industry through meaningful alumni engagement, leaving the participants inspired and better prepared for their future careers.
