Department of B.Com (Accounting & Finance)

INDUSTRIAL VISIT REPORT

On 20 August 2026, the Department of B.Com Accounting and Finance in association with IQAC, School of Commerce, Mohamed Sathak College of Arts and Science, organised an industrial visit to Chennai Port. A total of 25 students, accompanied by one staff member, participated in the visit. The programme was conducted to provide practical exposure and help students understand the real-world application of concept learned in commerce.

During the visit, the students observed various port operations such as cargo handling, container movement, loading and unloading of goods, storage facilities, shipping activities, and logistics management. They gained valuable knowledge about the role of Chennai Port in domestic and international trade. The visit also enabled them to understand the importance of financial documentation, billing, freight charges, customs procedures, taxation, insurance, and accounting practices involved in port-related commercial activities.

The industrial visit was highly informative and beneficial for the students. It enhanced their practical knowledge, developed their understanding of supply-chain and logistics operations, and created awareness about career opportunities in shipping, port management, logistics, accounting, and finance. The visit successfully fulfilled its objective of providing learning beyond the classroom and connecting academic knowledge with industrial practice.

The Department of B.Com Accounting and Finance sincerely expresses its gratitude to the management of Mohamed Sathak College of Arts and Science for their constant encouragement and support. The department also extends its heartfelt thanks to the respected Principal, **Dr. M. S. Mohamed Jaabir**, and the respected Vice Principal and IQAC Coordinator, **Dr. M. Syed Ali**, for their valuable guidance and for making the industrial visit a successful and meaningful learning experience.
