

AWARENESS PROGRAM REPORT

Title : The Institute of Company Secretaries of India (ICSI) Awareness Programme
Date : 06 August 2026
Venue : Alhaj Sheik Aboobacker Sahib Auditorium
Conducted By : Department of Business Administration under IQAC
Participants : 200 Students from BBA & B.Com

Greetings to All,

The Department of Business Administration, in association with the Internal Quality Assurance Cell (IQAC), successfully organized an Awareness Programme on The Institute of Company Secretaries of India (ICSI) on 06 August 2026 at Alhaj Sheik Aboobacker Sahib Auditorium. The programme was conducted to create awareness among students regarding the Company Secretary profession, corporate governance, compliance, taxation, and career opportunities available through the ICSI qualification.

Objectives

- Create awareness about the Institute of Company Secretaries of India (ICSI).
- Introduce students to the Company Secretary profession and its significance.
- Explain eligibility criteria, examination structure, and training requirements.
- Provide insights into career opportunities in corporate governance and compliance.
- Motivate students to pursue professional qualifications for career advancement.

Programme Report

The programme commenced with a formal welcome and introduction. The dignitaries highlighted the importance of professional education and encouraged students to explore career opportunities beyond traditional degree programmes. The resource person, CS Naresh V.V., delivered an informative session on the role of Company Secretaries in modern organizations.

The session covered the objectives of ICSI, stages of the CS programme, registration procedures, training requirements, professional ethics, legal compliance, and corporate governance practices. Students gained a comprehensive understanding of the responsibilities of Company Secretaries and the career prospects available in corporate and regulatory sectors.

An interactive question-and-answer session enabled participants to clarify doubts regarding eligibility, examinations, training, and employment opportunities. The programme generated significant interest among students.
