Report on Knowledge Sharing Session with an International Guest Speaker

Greetings to All!

The PG & Research Department of Microbiology, in association with IQAC, Mohamed Sathak College of Arts and Science, successfully organized a Knowledge Sharing Session with an International Guest Speaker on 21.08.2026 at the Seminar Hall.

The session featured an insightful lecture on “The Thyroid Gland: From Structure and Function to Clinical Diagnosis and Management” by Dr. Sherly Deborah George, Associate Professor, Department of Physiology, Manipal University College Malaysia, Melaka, Malaysia. She shared valuable insights into thyroid physiology, disorders, clinical diagnosis, and management. The interactive Question & Answer session further enriched the programme.

The Department expresses its heartfelt gratitude to our Esteemed Management, Director Janab S. M. A. J. Abdul Haleem, Principal Dr. M. S. Mohamed Jaabir, Vice Principal & IQAC Coordinator Dr. M. Syed Ali, and Dean Dr. V. Anuradha for their guidance and support.

A special thanks to Dr. Sherly Deborah George for sharing her valuable knowledge and expertise, and to all faculty members, research scholars, and students for their enthusiastic participation.

The programme concluded with the Vote of Thanks, marking the successful completion of an informative and enriching academic session.

Thank you.

Dr. S. Valli

Head

PG & Research Department of Microbiology

Mohamed Sathak College of Arts and Science.
