REPORT ON AWARENESS PROGRAM - WOMEN'S HEALTH AND HYGIENE

The Women's Cell in association with IQAC, Mohamed Sathak College of Arts and Science, organized an Awareness Programme on "Women's Health and Hygiene" for girl students on 25th August, 2026 at the Seminar Hall. A total of 100 students were actively participated and benefited from the session.

Mrs.K.R. Renuga, Director, Centre for Women's Development and Research, Mrs.A.Lilly Margrate, Director Bloom trust and Mr.Pralayan, Writer and Theatre Person served as the resource persons and shared their valuable insights through drama by the Cultural Group to create awareness among the students about gender equality, dignity, mutual respect, and the need to speak up against injustice.

The drama presented various situations faced by women in society and highlighted the importance of respecting women, ensuring their safety, and protecting their rights. Through realistic performances, the students conveyed a strong message against physical, emotional, and social abuse. The performance was well received by the audience and served as an effective medium for spreading awareness about women's empowerment and safety.

The programme concluded with a message encouraging everyone to contribute towards creating a safe, respectful, and equal society for women.

We sincerely thank the **Management, Respected Principal, Dr. M. S. Mohamed Jaabir, and Respected Vice Principal & IQAC Coordinator, Dr. M. Syed Ali**, for their valuable guidance and support for making the program a successful and meaningful. We also thank the Women's Cell members for their dedicated efforts.
