7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

- The good academic and healthy atmosphere in the campus and flexibility in admission and friendliness among the teaching and nonteaching staff members the new students feel more comfort and enjoy royalty in the campus and they bring their old friends, brothers and sisters, good neighbors for admission and hence we have healthy admission every year
- Academic Excellence – The main factors which cater to the academic excellence are innovative methods of teaching, dedicated teachers and excellent environment.
- Flexibility in admission process in course selection, fees details, counselling to all student's communities about pros, employ ability of courses and higher studies abroad by college teaching staff from different disciplines.
- Along with other sports cultural and technical activities, the NSS unit plans activities like tree plantation and field visits to expose the students to the pressing issues in our society.
 - Accordingly, the institution started to contact the students, parents and teachers to give counseling to overcome the fear of disease and motivated to have nutritional food and to live a healthy life.
 - As a special thrust, societal development is also instilled on a large scale into the students through the active NSS unit which undertakes various services to inculcate social values.
